“Call unto me and I will answer you and show you great and mighty things that you do not know.” Jeremiah 33:3

The Beginning

The Pastor called for those wanting to receive Christ and put Him on through water baptism and Catrina, at the age of five, ran to the altar! After running to the Lord at such a young age, life and circumstances tried to pull her away from the ministry that was birthed within her. But God... and by age 14, Catrina was very active in her home church, Cathedral of Faith Baptist Church, as a peer mentor, Youth Council president, Youth Choir Director, and Sunday School teacher.

The Transformation

How many of us know that attendance and activity do not save you? Catrina found this out firsthand when she left home for college. Though she loved the Lord, had felt His presence, had heard the call; she was finishing her senior year at Louisiana State University in Baton Rouge bent on destruction and knew that she had been running in total opposition to God's will for her life. After a one weekend encounter and touch, the Lord made all things new and her life has not been the same.

The Race

Now Catrina, completely set free from every entanglement and oppression, has been seeking to encourage young ladies to know and experience the fullness of God's love and the joy of His salvation! She has been endeavoring to win souls to the Lord through one-on-one soul care as a Small Group Leader and Youth/Young Adult peer counselor. She and her husband currently serve as Ministers at Bethel Restoration Center in Williamsburg, VA under the leadership of Apostle John N. Gray, Sr., founder and overseer. Catrina has also served in ministry as the Youth Leader, Mass Choir Director, Adult and Preschool Sunday School Teacher; always looking to assist wherever there is a need. She and her husband will be ordained October 2019 under the auspice of Ministers in the International Bible Way Diocese.
